Grand Stripper

Super Polish Stripper

Description:

GRAND E-Strip is a fast acting solvent based stripper from removing old wax and emulsion from all floor surfaces with exception of Linoleum Rubber tiles.

The special formulation made it very effective and economical to remove stubborn old wax at the existing market.

Direction of use:

Step 1: Mix 1 part of **GRAND E-STRIP** with 3 parts of water, mop floor with dilute solution and keep floor wet for 5 minutes

Step 2: Pick up liquefied wax wet with ENC wet and dry vacuums.

Specification:

Color / odour: Clear light (Off White)

Ph (undiluted): 11.00 – 12.00

S.G: 0.98

Biodegradable: Detergent base classified biodegradable.

Efficiency: Excellent in hot or cold, hard or soft water.

Warning: If contact with eyes and skin, flush with plenty of cold water.

Precautions:

With most chemicals products, eye contact and ingestion should be avoided. If product contact eyes, flushing with water should be sufficient, if ingested, dilute by drinking water and medical help.
